Continuation of 5. does NOT place the application in condition for allowance because: no new unrebutted arguments as to the obviusness rejection have been presented. Note that applicant cited and supplied reference, Wiren (2002), has been published after the filing date of the instant application and thus doesnot reflect the state of the art at time of filing. Applicant's reference to page 12 in lieu of page 10 as support for the previous amendment is persuasive to remove the new matter rejection under 35 USC 112.
